**Grades 2-3**

Lesson: character study

Adjectives: a word that describes a noun or pronoun

Materials: construction paper; glue/tape; markers; crayons; scissors;  
upside down shoebox

Mayor J.R. Hogwash has announced a day of celebration with a Pigsburg Pig Parade of Floats! Students may work in pairs to choose a character from the story and create a float for that character.

However, the objective is for the students to display ten adjectives describing their character somewhere on the float along with their chosen character. Floats may be displayed and judged by other teachers, etc.

Further character studies may be made by reading *The Good, the Bad and the Porky*.
